

Explore our milestones and see how it all began

Signum Solutions Limited was born on 16th September 2003. Signum soon evolved and grew into one of the UK's leading SAP Business One Gold partners. We invite you to learn more and to be part of our story.

2003: An icon is born

The brainchild of Lindsay Pointon and Alan Pollitt, Signum Solutions is born.

2008: We find a home

The business is gaining momentum and we move into our first home at Red Hill House in Cheshire.

2010: We open a second location

Signum Solutions expands and the Midlands office is officially opened for business at Castle Donington.

2011: On the move again

We've outgrown our office space in Cheshire and move into new premises at Sci-Tech Daresbury.

2014: 10th staff member

Our family is growing as we welcome our 10th employee to the team.

2015: On the move again

Having outgrown our previous headquarters, the Signum team move into a larger office at Daresbury.

2017: Partner Excellence Award

Signum are the proud recipients of the CompuTec Partner Excellence Award.

2018: Customer Satisfaction Award

Signum wins big at Customer Satisfaction at the annual SAP SMB Summit in Barcelona.

2005: Our First SAP Customer!

We sign up our first SAP Business One customer, who we are proud to say is still a customer today!

2008: The team is growing

Signum welcomes it's first employee! Fantastic news is that she is still with us – 15 years later!

2010: Partnerships are formed

Signum enters into partnership with Computec and become a fully certified UK ProcessForce partner.

2014: Signum achieves Gold

Signum are proud to be confirmed as a Gold partner for SAP Business One.

2015: 50th customer

The company achieved a major milestone by signing up it's 50th customer.

2016: Recognized Expertise

Signum Solutions becomes the first Gold Partner to obtain SAP Recognized Expertise status for SAP Business One in the UK.

2017: 75th customer

Signum is pleased to announce we have acquired our 75th SAP Business One customer.
