

Frobishers Juices Case Study

Partnering for digital transformation success

At a glance

Frobishers faced issues with post-implementation support from their implementation partner, which led them to switch to Signum Solutions for SAP Business One support.

Who are Frobishers?

Frobisher's Juices is a top player in the UK's juice industry, renowned for producing a variety of premium fruit juices. Their products are highly regarded for their exceptional ingredients and unique blends.

became a Limited Company

CHALLENGES

One of the main challenges Frobishers faced was with its old, bespoke overseas system that lacked real-time visibility into its business operations. The company needed better functionality, reportability, support, and flexibility, which led to the decision to implement SAP Business One.

SOLUTIONS

They found that the best solution for them was **SAP Business One** customised to their business needs.

**Better Inventory
Control &
Accuracy**

**Improved
Management of
Operations**

**Financial
Tracking and
Reporting**

BENEFITS

1

Better inventory control and accuracy

With SAP Business One, Frobisher's has the ability to track and manage inventory in real-time, which helps to reduce inventory holding costs and eliminate stockouts

2

Financial tracking and reporting

SAP Business One provides Frobisher's with comprehensive financial reporting and analysis tools, enabling them to monitor their financial performance in real-time.

3

Improved management of operations

SAP Business One provides real-time insights into their operations, enabling them to identify and address issues as they arise.
